

ASSEMBLY BILL

No. 1140

Introduced by Assembly Member Cox

February 21, 2003

An act to repeal Section 1720.3 of the Labor Code, relating to public works.

LEGISLATIVE COUNSEL'S DIGEST

AB 1140, as introduced, Cox. Public works: refuse hauling.

Existing law generally requires the payment of the general prevailing rate of per diem wages to workers employed on a public work, as defined, that costs over \$1,000. For purposes of these provisions, existing law specifies that “public works” includes the hauling of refuse from a public works site to an outside disposal location with respect to public works contracts involving any state agency, which includes the California State University and the University of California, or any political subdivision of the state.

This bill would repeal this provision relating to the hauling of refuse to an outside disposal facility.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
